

WRECK TREK

Tavernier with Conch Republic Divers

Oct 10th & 11th, 2020

Rated 5 stars by Trip advisor! This is a well run, professional, knowledgeable, and fun dive operation. We have dove with this dive operation for several years, and everyone seems to enjoy them. Large awning- no standing in the hot sun waiting for the boat. Large rinse tanks, and rolling racks to hang your wetsuit, bcs, and gear- which are then safely secured overnight. No smelly wetsuits the next day or gear to deal with at the motel!

We plan to dive the Spiegel Grove Sat or Sun when conditions are best. (currents can be strong)
